THINGS TO REMEMBER!

*** No flip flops, crocs, slide-on shoes or bare feet on the river. Water shoes or old sneakers are best.
*Appropriate footwear can be purchased at Rafting Center if you forget!***

**** Eyeglass straps are available in the gift shop and are recommended. It's OK to leave valuables on the bus (it will be locked) including phones and keys ... much better than taking them on the river!**

*****[YOU WILL GET WET!](#)**

What to bring for Whitewater Rafting

- Old sneakers or water sneakers (flip flops, loose-fitting sandals, "crocs," and bare feet are not permitted)
- Bathing suit or shorts
- Change of clothes and shoes
- Eyeglass straps (optional)
- Suntan lotion and a cap or visor in summer
- Sweatshirt or Light windbreaker (no hood)
- Simple lunch (at the Lehigh) - or buy box lunch from food concession
- Driver's license (if renting wet suits or waterproof paddling gear - 1 license per 6 suits)

MORE TRIP DETAILS

HOW LONG IS YOUR RAFTING TRIP?: It's hard to be precise, because trip lengths vary from day to day, based on temperatures, wind speed, weather conditions, river flow, and the group itself. We usually say 4 hours on the river, and 5-6 hours overall, but please let everyone know that any trip can last longer or shorter than the stated range of times.

HOW ROUGH IS THE WATER?: This also varies from day to day, depending on recent rainfall, discharges from the dam, the effect of downstream tributaries, and so on. On any given day, the largest rapids might be a Class II

SAFETY: Nothing is more important than your safety.

Please watch the [Whitewater Rafting Safety Video](#) **[CLICK HERE](#)**

WHAT NOT TO TAKE IN YOUR RAFT: Leave dry clothes and towels in the bus for after the trip. Don't take any valuables, keys, coolers, alcohol, glass containers, pets, or cameras that aren't waterproof.

WHAT TO WEAR & BRING: **You WILL get wet.** On warmer days, a swim suit or T-shirt and shorts are fine. Sunscreen and a visor or brimmed hat are suggested. In cooler weather a windbreaker is useful. Avoid cotton, especially sweat shirts and sweat pants, which will actually make you colder. Paddling jackets and wet suits can be rented at the Rafting Center. One driver's license is required for up to six rentals. If wearing glasses, be sure to secure them with reliable glass-straps

BBQ DINNER: Dinner hour lasts until about 1/2 hour after the last group returns to the Rafting Center.

RAFT GROUPINGS: Rafting teams (usually 6 or 7 per raft)

SOUVENIR PHOTOS: We try to capture a photo of each raft in the rapids. You can purchase these at our Rafting Center after the trip. Or order them online after you get home

WATERPROOF HI-DEF VIDEO CAMERAS: What a great way to document your adventure! Be sure to post your video on YouTube, or FaceBook, or just send it to your friends.

OUTFITTER SHOP: Our outfitter shop carries souvenir shirts and caps, and an assortment of items you might want or need for your trip. Take a moment to browse, before and after your tour.

ZIPLINE ADVENTURE: We invite you to enjoy our exciting tree-top ZipLine ride here at the Rafting Center after your trip. Tickets can be purchased in the Outfitter Shop

PAINTBALL TARGET RANGE: Check out our Paintball Target Range, right here at the Rafting Center. Goggles and Gun Rental (\$20 value) are FREE to our rafting and biking guests!

WAIVER FORMS: Waiver forms must be completed by each individual, for the adventure activities of the day. These forms will be provided to you on the bus trip to complete
